The Condominium Manual

BASIC ORDER FORM

A Comprehensive Guide to Strata Law in British Columbia

3rd Edition • Paperback (6" x 9" • 652 pages) • Online Subscription (www.CondoManual.ca)

This informative, plain language book has become the standard guide for condominium owners and real estate professionals across the province, including strata council members, investors and licensed strata property managers. The third edition captures all significant legislative changes and court cases since 2004, when the last edition was published.
